INVENTORY CONTROL
COMPLETE SYSTEMS
BASIC SYSTEM

Our Basic Inventory Control System allows you to go mobile with your small to medium-sized inventory, using the Janam XP Series mobile computer to free you from range limitations of standard barcode scanners. Proxis Stock Manager software is pre-installed on the PC and the mobile computer, allowing you to easily maintain inventory in larger warehouses or even multiple locations!

* 1 Year Free Phone Support
* 1 Year Warranty with 7 Day Replacement

FINANCING AVAILABLE
STARTING AS LOW AS $55/MONTH
