Choosing the right barcode scanner just got a whole lot easier. The Xi3000 sports a sleek design and industrial-strength housing, enabling it to handle even the harshest conditions. With absolutely no moving parts, rubberized coating and a reinforced cabling system, the Xi3000 is the toughest scanner in its class. Built-in features like redundancy, multiple interfaces and an optional auto-sensing stand make the Xi3000 a top choice for both Retail and Industrial environments.

**Key Features**

- Ruggedized housing withstands multiple drops from 6.5'
- Included utility software makes configuration simple
- Optional autosense stand for hands-free operation
- Ideal for high-volume industrial and retail settings
- Reading distance: 1” ~ 8”
- Ergonomic and light weight
- 5 year warranty
